

ADDINGTON PALACE GOLF CLUB

Membership Information

Addington Palace Golf Club is a fine golf course and events venue within easy reach of London. The course is acknowledged as one of the finest in the area, both for its layout and year-round condition.

We pride ourselves on the welcoming atmosphere at Addington Palace Golf Club - we are a warm and friendly Club.

The following information will give you an overview of the benefits of membership at Addington Palace Golf Club.

The Course

The golf course, 6,406 yards off the back tees, Par 71 course, is recognised as one of the best in Surrey. Tree-lined fairways, a variety of challenging holes and stunning views across London make for a memorable golfing experience.

The course was designed and built by J.H. Taylor in 1930. The front nine holes are laid out in a more traditional parkland setting that has the Grade 1 listed Addington Palace as a stunning backdrop. The back nine holes are fringed by mature trees and follow a course through woodland. The course is free draining and does not need temporary greens or tees, even in the wettest months.

The club has over 60 category one golfers, i.e. handicap 5 or better, many of whom have developed through our academy and junior sections. Others have joined in order to be members of a thriving club with a true test of golf for players of all abilities.

Frequently Asked Questions

Q. I'm thinking of joining and would like to play the course first. Is that possible?

A. Yes of course. You can play with a current member as their guest, however if you do not know a member you are welcome to pay a green fee, booked through the Pro shop. If you go on to join the Club within one month, the cost of the green fee will be credited against your first year's subscription.

Q. Do I have to book a tee time?

A. Yes. You will need to download our members app to book tee times, details will be given once you join. Addington Palace Golf Club has a 'turn up and play' policy, which means you can play golf whenever you want, and as often as you want. Except for a few major competitions and Club events, you can simply turn up and be almost certain of a game. You can also choose to play 9, 12 or 18 holes, as suits your spare time.

Q. I am new to the area and don't know anyone to play with.

A. Our 'turn up and play' policy virtually guarantees that there will be other groups to join. During the week and at weekends there are many informal 'roll-ups' – at least one each day. You will soon get to know people.

Q. Are Ladies welcome? And Juniors?

A. We encourage both ladies and Junior members. Whilst we are all members of one club, our ladies and Juniors run their own thriving sections with full competition schedules.

Q. Do I need a registered handicap to join?

A. No. Applicants without a handicap are equally welcome and the Club Professional will guide you through the process to obtain a handicap when you join.

Q. How soon could I become a member?

A. Depending on whether we have a waiting list or not for your required membership category, we can sign you up right away. Once we have received your completed form from this membership pack, we can get you set up on the system and provide your subscription invoice, your bar card and bag tag. As soon as payment has been received you may start playing. Memberships are started on the 1st of the month.

Q. Can I pay in instalments?

A. Yes, we offer the ability to split the cost into quarterly instalments. When opting to pay in instalments, we advise you to set up a standing order with your bank, so payments are made on time and not forgotten. Full details of all our payment options will be sent with your subscription invoice.

Q. I've paid for my full years membership up front, but now I've changed my mind/am moving away, can I get a refund?

A. No, unfortunately not. When you become a member, the membership is a contract between you and the club lasting 12 months. You can choose not to renew your membership when your renewal is due after the 12 months, but if you choose to leave midway through, no refunds are provided. The same goes for paying in instalments. If you choose to leave during your membership and still have an outstanding balance where you have been paying in instalments, you need to clear any balance outstanding with the club.

PLEASE COMPLETE AND RETURN FORM TO THE OFFICE IN PERSON OR ASK FOR A DIGITAL COPY TO BE EMAILED.
